

## Multi-Club Mentorship Interest Survey

A Mentor is a member who takes a personal interest in and helps another member. Mentors serve as coaches and confidantes, offering knowledge, insight, perspectives, resources, or wisdom that is useful to another member who is seeking to complete an objective.

Multi-club mentorship is targeted enabling clubs with experienced members and skills to share spread their knowledge to members in other clubs and similarly for members looking for a skill that they cannot find within their own club to do so through contact within District 61.
