District 6 Mentoring Program

Where Leaders Are Made.

The new Toastmasters slogan embodies a key purpose for Toastmasters. Not all leaders are born with talent. They learn it, and Toastmasters is the best place to learn!

“At times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us.”

- Albert Schweitzer

Program Mission and Focus

The mission of the Advanced Mentoring Program is to connect D6 leaders who wish to improve specific leadership skills with other D6 leaders who are willing to mentor them.

The focus of the D6 Mentoring program is to provide mentoring opportunities for District 6 Toastmasters who want to improve their leadership skills. The mentees will be paired with a mentor who can provide expertise on the leadership skill(s) which the Toastmaster would like to develop.

Mentoring:

An opportunity to “Pay it Forward”

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.”

~Leo F. Buscaglia
